Do not hesitate to ask us for an estimate if your stay is for a different duration of time

For the price of the baht in comparison to the euro updated live, you can consult the site www.XE.com, for example. Your real exchange rate will be a little less favorable, your bank taking a currency commission.

If the baht rate is 40 baht for one euro, then the advance represents about 10% of the total amount.

These prices include:

- ✓ Accommodation in an air-conditioned single room, with a shower and a toilet and a television with TV5 in French.
- ✓ Meals: Thai or European cuisine depending on the day, based on fresh products. Breakfast (sandwiches, tea or coffee, a glass of juice).
- ✓ Shuttle in both the morning and the end of the day for the village of Ban Phe, the landing stage of Koh Samet, or different beaches, markets, cities ... according to a weekly schedule.
- ✓ Weekly themed evening meal: paella, barbecue, seafood, couscous, pizza ...
- ✓ All of the free activities proposed within the resort (swimming pool, board games, books, DVD, petanque, etc).
- ✓ WIFI access. - Two Jacuzzi sessions a week. - Optional bicycle (1200 bahts per month or 100 baht per day).
- ✓ Discounts of 10% (half board) and 30% (full board) for additional excursions and sea trips.
- ✓ Possibility to rent scooter or motorbike (supplementary charge).

There are no compulsory additional charges, unlike other rental residences: electricity, administration fees, taxes, bedding, cleaning. These are included in the reflected price
